Dear Mr. Branch:

RE: Modification to NPDES Permit No. WA-005233-7 for the City of Tonasket POTW

Enclosed is a replacement permit and fact sheet for the City of Tonasket's NPDES Waste Discharge Permit No. WA-005233-7.

Upon review, it was discovered that due to a typographical error the incorrect permit number had been used on your permit and fact sheet. No changes were made to the contents of the permit. The change does not affect the stringency of the permit and therefore does not require public notice. Please have your staff replace the previous permit and fact sheet with the enclosed permit and fact sheet for each copy of the permit made. The permit and fact sheet pages are clearly marked with "**MODIFICATION DATE MARCH 21, 2006**".

We regret the necessity to make this correction, but as the permit will be in effect for up to five years, it is prudent to have it in the best possible form. Should you or your staff have any questions, please contact your new permit manager, Rich Marcley at 509/457-7250.

Sincerely,

Richard J. Frye
